### EDUCATION

#### 2017-2018 (SSLC)

- S.K.V Matriculation and Higher Secondary School (71.2-CGPA)

#### 2018-2021 (DIPLOMA-Electrical And Electronics Engineering)

- K.S.R Rangasamy Institute Of Technology (84%-CGPA)

#### 2021-2024 (B.E-Electrical And Electronics Engineering)-Present

- Kongu Engineering College (75%-CGPA)

### PAPER PRESENTED

- Presented a paper entitled “**Automatic Fertilizer Dispenser By NPK Ratio**” at AUTOTHON organized by Bannari Amman Institute Of Technology, June 2022.

### PROJECT PRESENTED

- Presented a project entitled “**Automation On Pulp Tank Monitoring And Water Jet Cutting System**” at Vinayaga Paper Boards organized by Kongu Engineering College, 2023.

### LEADERSHIP

- Treasurer of “**Power and Energy Society of IEEE Student Branch**” of academic year 2023.

### ACHIEVEMENTS

- Secured 2<sup>nd</sup> price in project presentation on “**Sustainable Weeding And Herbicide Management System For Coconut Farm**” in Proof of Concept At Kongu Engineering College

### HACKATHON

- Presented a Website entitled “**Open Elective Subject Selector**” at KEC HACKATHON 2023 organized by Kongu Engineering College, March 2023.

### PROFESSIONAL MEMBERSHIP

- Member in “**Institute Of Electrical And Electronics Engineering**” of Kongu Engineering College.
- Member in “**Mobile App Development Club**” of Kongu Engineering College.

### CERTIFIED COURSES

- Completed the Two credit course on “**Illumination And Lighting design**” in Kongu Engineering College, Perundurai on academic year 2022.
- Completed the One credit course on “**Real time embedded system**” in Kongu Engineering College, Perundurai on academic year -2023

### INDUSTRIAL VISITS

- U R Rao Satellite Centre (ISRO), Bengaluru on April 2022
- Inker Robotic Solutions Pvt Ltd, Thrissur Kerala on October 2022
